SECTION- A READING

I. Read the passage and answer the questions below. (1x5=5)

Ravi was fascinated by stars and planets. Every evening, he sat by the window with a telescope, gazing at the night sky. His favourite book was about space, filled with pictures of astronauts, rockets, and distant galaxies. Ravi dreamed of becoming an astronaut one day and exploring the universe.

One evening, his father surprised him with a visit to the planetarium. Ravi was thrilled! At the planetarium, they watched a show about the solar system. The giant screen made it feel like they were flying through space. They saw the blazing sun, the rings of Saturn, and even a comet streaking across the sky.

After the show, Ravi eagerly asked questions. "How far is the moon?" "Why does Mars look red?" The guide patiently explained everything, inspiring Ravi even more. As they walked back home, Ravi looked up at the stars, imagining all the wonders waiting to be discovered.
